3/1/74 Re Indictments- press coverage update.

WaPost's story on grand jury desire to indict Nixon and "barring" by Jaworski was lead item CBS 7 a.m. news, read by not written by Steve Young. Adds to details inclusion 50 gra grads on this.

When the story is upgraded with the passing of time, it means differing judgements for ordinarily time downgrades as other news develops. Here is the upgrading was not by the copy writer it can perhaps be attributed to the appearance of an executive on a day shift or his phoned comment after hearing earlier copy. Executive in sense desk editor, not top level.

Why would anyone leak this to Post? proposition to covering up. Who could? Officials only. HI 3/2/74, 7:10 a.m.
